Because this form is to be copied, please use black ink or type. The form may be filled out online and printed.

Any change in slip size, ownership, length, width, height or location of a structure or launching ramp requiring a license under LMCD Code Section 2.03 requires the issuance of a new license, pursuant to Section 2.03, Subd. 7. The Executive Director may issue a new license without a public hearing provided the facility is in compliance with the Code; there is no change in the number of watercraft stored; and there is no substantial change in slip size, length, width, height, location, use, type of watercraft stored, or amount of lake obstructed or occupied.

The person completing this form is the **authorized agent** or **property owner** (select one).
