

LAKE MINNETONKA WINTER RULES

Lake Minnetonka Conservation District (LMCD)
(952) 745-0789 - www.lmcd.org

LMCD is a governing body set up by the State Legislature to enact ordinances to regulate activity on Lake Minnetonka

Hennepin County Sheriff's Office: Water Patrol Unit
(612) 596-9880 - www.hennepinsheriff.org/water-patrol

The contents within this pamphlet are a summary of the various rules governing conduct on Lake Minnetonka (as of December, 2014). It is distributed for purpose of educating the public, but it is not a text of the actual laws applicable to the Lake. Laws and rules of the State of Minnesota and ordinances of the LMCD and its member cities, should be consulted for the exact language of such laws, rules, and ordinances.

MOTORIZED VEHICLES CONTINUED

Operation of Snowmobiles and ATVs by Minors: It is unlawful for the owner of a snowmobile or ATV to permit it to be operated on Lake Minnetonka by a minor (under 18 years of age) unless they comply with regulations of the State of Minnesota. A summary of these age minimum restrictions are contained herein.

SNOWMOBILE & ATV SAFETY

SNOWMOBILE OPERATOR AGE RESTRICTIONS With a Snowmobile Safety Certificate

Any resident of Minnesota born after 12/31/76 must have a snowmobile safety certificate to operate a snowmobile in Minnesota.

OPERATOR AGE	RESTRICTIONS
12-13 years of age	1. May drive on public lands/waters and grant-in-aid trails (if with parent/guardian or certificate). 2. May drive on private lands (with valid permission). 3. May not cross state/cty. roads or drive streets/hwys.
14-18 years of age	1. May drive on public lands/waters and grant-in-aid trails (with certificate). 2. May drive on private lands (with valid permission). 3. May cross state/cty. roads (if cert./license/or id card)

Non-residents of Minnesota certified in snowmobile safety training in another state will be recognized in Minnesota. Non-residents 18 years of age and older do not need a snowmobile safety certificate.

WITHOUT A SNOWMOBILE SAFETY CERTIFICATE (Both residents and non-residents) - Individuals under 14 years of age may operate a snowmobile only if they are supervised by a parent, guardian or other person 18 years of age or older designated by the parent or guardian. The supervising adult needs to be close enough to be able to direct the youth's operation of their snowmobile. This exception does not allow an operator under the age of 14 to cross a public road.

CLASS 1 ATVs are motorized flotation-tired vehicles with at least three, but no more than six, low pressure tires that have an engine displacement of less than 1,000 cubic centimeters and total dry weight of less than 1,200 lbs.

15. City of Excelsior – Excelsior Commons
16. City of Tonka Bay – Adjacent to Tonka Bay Marina
17. City of Tonka Bay - Adjacent to the Caribbean

Snowmobile/walking
access only

GENERAL RULES

Access: You must enter the Lake at a public access (see map to the left) or from your own property, unless you have written permission from another property owner to use their property.

Barriers Around Thin Ice or Open Water: The Sheriff's Water Patrol may (when deemed necessary) place markers, signs, barriers, fences, etc., around or near thin ice or open water. It is unlawful to disobey such signs, drive or walk in the forbidden area, or move, remove, deface, or damage such signs.

De-icing: A license to use underwater bubblers to open water around permanent docks is permitted in special circumstances by the LMCD. These sites will be lit and identified with thin ice signs and fencing. You are advised to stay away from these areas.

Water Skipping: The skipping of motorized vehicles over open water is prohibited.

Pieces of Ice: Pieces of ice cut from the Lake may not be left on the surface, but must be put back in the hole or slid under the ice.

Special Events: Permits are required by the LMCD and the Sheriff's Water Patrol for most types of special events on Lake Minnetonka. Currently, the LMCD has delegated its special event permitting authority for most activities to the Sheriff's Water Patrol. For questions on whether your activity requires a special event permit, you are encouraged to contact the Sheriff's Water Patrol.

Operating a Motorized Vehicle While Under the Influence: No person shall operate or be in physical control of any motorized vehicle while under the influence of alcohol, a controlled substance, or a hazardous substance. Any officer who has probable cause to believe that the operator of the motorized vehicle is under the influence may request the operator to submit to chemical testing. By law, the operator of the motorized vehicle is required to submit to chemical testing.

State Statutes: In addition to local ordinances, state statutes and rules also apply on the Lake.

MOTORIZED VEHICLES

Definition: Motorized vehicles are all vehicles with internal combustion engines including, but not limited to, autos, trucks, motor homes, snowmobiles, all terrain vehicles (ATV), motorcycles, and dirt bikes.

Operation: To operate on the Lake ice (surface), a motorized vehicle must have current registration, be equipped with specific safety equipment, and be muffled, all of which are described herein.

Registration: Motor vehicles must display current and correct registration.

Safety Equipment: Vehicles must be equipped with at least one head lamp, one red tail lamp, brakes, and muffler. Snowmobiles must have a safety throttle that disengages the motor when pressure is released. All equipment must conform to Minnesota Department of Natural Resources (MN DNR) regulations.

Muffler: All motor vehicles must be equipped with a muffler in good working order that reduces exhaust noise to overall permitted levels. “Cut outs” or “by passes” are prohibited. The exhaust system may not produce a sharp popping or crackling sound. Noise levels must not exceed those established by the MN DNR.

Shorezone: The shorezone is that area of the ice on the Lake within 150 feet of the shoreline (including channel areas). The shorezone is reserved for non-motorized activities including, but not limited to, walking, skating, snowshoeing, cross country skiing, and fishing. Motorized vehicles must stay clear of the shorezone and comply with speed restrictions, which are contained herein.

Speed Limits: Maximum speed limits for motorized vehicles on Lake Minnetonka are as follows:

- a) 25 miles per hour within the shorezone (*); channel; all of Black, Emerald, and Seton Lakes; or within 150 feet from persons fishing, a fish house, pedestrian, skier, skater, skating rink, property, or people;
- b) 30 miles per hour outside of shorezone during nighttime hours (except snowmobiles, as defined by Minnesota Statutes, 50 miles per hour); and
- c) 50 miles per hour outside of shorezone during daytime hours.

(*) A person operating a motorized vehicle within the shorezone may traverse within, provided they take the shortest, most direct route to leave shorezone.

Helmet: While operating or riding a snowmobile or ATV, a person under 18 years is required to wear an approved helmet that complies with Federal motor vehicle safety standards (displaying the DOT symbol).

Unattended Motorized Vehicles: It is unlawful to leave a motorized vehicle unattended on the Lake while the motor is running, with the key in the ignition, or without a lockable ignition switch.

Impounding Motor Vehicles: Motor vehicles may be removed from the Lake by the Sheriff's Water Patrol, or by other duly authorized law enforcement officers, if the motor vehicle:

- a) is unattended and represents a hazard;
- b) is unattended for more than 6 hours;
- c) is unattended during nighttime hours;
- d) is unattended and missing vital component parts;
- e) constitutes a hazard and the person in charge of the motor vehicle is physically incapacitated in such a way as to be unable to properly provide for its custody and control; or
- f) operator has been taken into custody by a law enforcement officer and the vehicle would otherwise be left unattended.

CLASS 1 ATV OPERATOR AGE RESTRICTIONS

OPERATOR AGE	RESTRICTIONS
Under 10 years of age	<ol style="list-style-type: none"> 1. May operate on private lands (with valid permission). 2. Must have parent/guardian permission to operate.
