

SAVE THE LAKE

Dear Lake Minnetonka Community Stakeholder:

Whether you are a lakeshore owner, recreational boater, sports person, or simply a lake enthusiast, now is the time to help fund the many important and successful programs provided by "Save the Lake" with a tax deductible contribution.

Save the Lake's mission is simple: Keep Lake Minnetonka safe and healthy. This cannot be done without your contribution.

For many years the Save the Lake Fund has focused time, energy, and resources by providing or contributing to:

- Solar Lighting placed on channel buoys
- Boater safety education
- Weather and safety electronic signage
- Increased Water Patrol coverage

With your contribution, Save the Lake can and will continue to provide vital Lake Minnetonka programs to enhance Lake safety. Please send your tax deductible contribution to "Save the Lake" in care of the Lake Minnetonka Conservation District at 5341 Maywood Road, Suite 200, Mound, MN 55364 or visit www.lmcd.org and click the PayPal button on the "Save the Lake" page.

On behalf of Save the Lake, I want to thank you for your past and present support in keeping Lake Minnetonka a better place for all to enjoy.

A handwritten signature in black ink that reads "Dan Baasen".

Dan Baasen, Save the Lake Chair

Save the Lake is a non-profit fund investing in the environmental quality and recreational enjoyment of Lake Minnetonka.
