

SUPPORT

SAVE THE LAKE

Your contribution is more important than ever.

Budgets are tight and fewer grants are available to supplement the vital services to protect Lake Minnetonka and all those who enjoy it. Whether you are a lakeshore owner, sportsman, or lake enthusiast, you understand the important ecological, residential, recreational, and economical role of the Lake.

Save the Lake's mission is to keep Lake Minnetonka safe and healthy. For many years the Save the Lake Fund has focused resources on activities supporting safety, education, and the environment such as:

- Increased Water Patrol coverage
- Boater safety education
- Solar lights on channel buoys
- Public safety/AIS electronic signage

Your tax-deductible contribution to Save the Lake will help ensure Lake Minnetonka continues to be a treasure for current and future generations. On behalf of the Save the Lake, we thank you for your past and continued support of our great Lake.

Daniel Baasen, Save the Lake Chair
