Save the Lake Chair Bill Olson and the Lake Minnetonka Conservation District (LMCD) are pleased to announce the availability of up to \$50,307 of Save the Lake Funds for 2012. Save the Lake is a non-profit fund that invests in programs that benefit the environmental and recreational needs of Lake Minnetonka. Grant applications (proposals) will be received for public safety, environmental, and public service/education projects.

Attached is a sheet that provides further details on the availability of 2012 Save the Lake Funds. It provides details of: 1) eligible applicants, 2) examples of past projects, 3) eligible costs, 4) application guidelines, and 5) application review criteria. This information is also available on the LMCD's website at <http://lmcd.org/save-the-lake>.

A completed proposal shall be submitted to the LMCD by Friday, December 2, 2011. Proposals shall be no longer than five single-sided pages in the 12-point font (excluding maps and appendices). These proposals shall be submitted to: LMCD, 23505 Smithtown Road (Suite 120), Shorewood, MN 55331.

Please feel free to contact LMCD Executive Director Greg Nybeck if you have any questions.
