Approval of Agenda

The agenda was approved as submitted.

Minutes

The minutes from the 5/8/15 and 9/11/15 AIS Task Force Meetings were accepted as submitted.

AIS Topics Discussed:

A summary of topics discussed at this meeting includes:

- Update from MCWD and MN DNR on recent discovery of new Zebra Mussels in Christmas Lake.
- Update from MN DNR on rapid response efforts for the recent Starry Stonewort infestation in Lake Koronis. An action item from this discussion was to make a written request of MN DNR Commissioner Tom Landwehr to coordinate a public information meeting in the near future on this.
- Discuss future LMCD and other organization watercraft inspections.
- Various Task Force member reports on other AIS efforts.

Schedule Next AIS Task Force Meeting
