# CELEBRATING 50 YEARS PROTECTING LAKE MINNETONKA

## Dear Friend of Lake Minnetonka,

For more than 50 years, the Lake Minnetonka Conservation District (LMCD) has been taking actions to protect Lake Minnetonka and enhance the experience of those who enjoy it. **With your support**, Lake Minnetonka continues to be an important natural resource and valuable ecological, residential, recreational, and economic resource.

**Your contribution is more important than ever** because fewer grants are available to supplement essential services to protect Lake Minnetonka from current and emerging threats. Whether you are a lakeshore owner, sports person, or lake enthusiast, you understand the importance of protecting nature.

**Join SAVE the LAKE's mission to keep Lake Minnetonka safe and healthy.** Help support activities to address lake safety, education, and the environment such as: **boater education, solar navigation lights, increased water patrol, lake ecology and prevention of Aquatic Invasive Species.**

**Your tax-deductible contribution to LMCD SAVE the LAKE will help ensure Lake Minnetonka continues to be a treasure for current and future generations.** On behalf of the LMCD, we thank you for your support and look forward to another successful 50 years.
