Dear Friend of Lake Minnetonka,

For more than 50 years, the Lake Minnetonka Conservation District (LMCD) has been taking actions to **protect Lake Minnetonka and enhance the experience** of those that enjoy the lake. With your support, Lake Minnetonka continues to be an important natural resource providing ecological, residential, recreational, and economic value, and will be for future generations.

Your contribution is more important than ever to supplement essential services needed to protect Lake Minnetonka from current and emerging threats. Whether you are a lakeshore owner, sports person, or lake enthusiast, you understand the importance of protecting this magnificent resource.

Join **SAVE the LAKE's** mission to keep Lake Minnetonka safe and healthy. Support activities for lake safety, boater education, and the lake environment including **solar lights** on channel buoys, increased coverage for **critical emergency response**, and actions to address **water quality**. We are in the process of developing a **Master Plan** to effectively prevent and manage vegetation and Aquatic Invasive Species (AIS) in Lake Minnetonka, which will also benefit other lakes and waterbodies.

Your tax-deductible contribution to LMCD SAVE the LAKE will help ensure Lake Minnetonka continues to be a treasure for current and future generations. On behalf of the LMCD, we thank you for your support.
