OUR GOAL FOR LAKE
SAFETY.

SAVE THE LAKE

LET'S KEEP ALL OUR LOVED ONES SAFE ON THE LAKE.

Dear Lake Minnetonka Supporter,

At no time in history has demand for lake use been higher for Lake Minnetonka. Increased traffic, variations in watercraft, and an unprecedented increase in watercraft registrations are undeniable factors in evaluating safety for Minnesota's most popular lake. For the lake to be **ENJOYABLE for ALL**, it must be **SAFE for ALL**.

To meet the **immediate demand for safety this past summer**, the Save The Lake Fund partnered with the Hennepin County Sheriff's Office (HCSO) to increase coverage for 2 additional summer deputies dedicated to shortening emergency response times and enforcing lake ordinances through education and citations when necessary on Lake Minnetonka. To assure this higher level of safety and to meet this immediate financial need to keep the lake safe, the Save The Lake Fund has agreed to fund the request of the HCSO for the 2021 boating season.

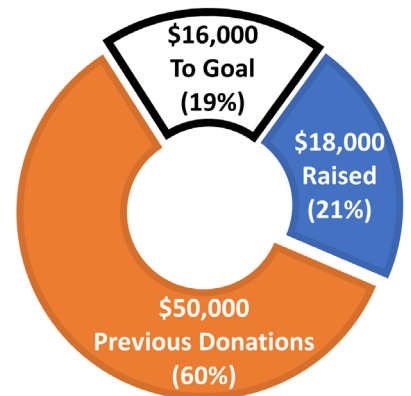

These critical services along with boater education, navigational enhancements, and other lake safety efforts are only made possible by your generous financial gifts. Whether you are a lakeshore owner, outdoor family, or loyal Lake enthusiast with a pride in Lake Minnetonka, **we need your financial support** at a high level to meet this challenge and keep the Lake safe for all! Save the Lake funding directly provides the necessary services that have been there in the past and will continue to **keep Lake Minnetonka a treasure for current and future generations**. Thanks to generous donors, we are near the 2021 goal of \$84,000 from current and previous year donations. Please consider a year-end gift to help us complete this very important initiative! Thank you,

Daniel Baasen, Save the Lake Committee Chair

Gregg Thomas, LMCD Chair
